Alerts
Alerts help you keep current on recent developments. Alerts include:

- **KeyCite Alert** – automatically monitors the status of cases, statutes, and administrative materials and sends you updates when their KeyCite information changes.
- **WestClip®** – runs your searches on a regular basis so you can stay up to date on news and legal developments
- **Court Wire Alert** – same-day reports of newly filed cases
- **Publication Alert** – receive the latest documents from a particular publication as soon as they are published on Westlaw
- **Company Investigator** – track a company’s business information, potential assets, or potentially adverse information
- **Business Law Center Alert** – flexible functionality to create alerts for transactional research
- **Capitol Watch Track** – follow federal or state bills and regulations
